2022 MALBEC RED MOUNTAIN

VARIETAL COMPOSITION

87% Malbec, 8% Cabernet Sauvignon, 3% Merlot & 2% Petit Verdot

VINTAGE NOTES

The growing season of 2022 was a unique vintage for Washington. With cooler temperatures and an exceedingly wet spring, we started the growing season off with a three-week delay. Come summer, we had our usual temperatures but the month of October brought us a real surprise with spikes in warmer temperatures, which allowed the fruit to ripen without any frost pressure. We finished harvesting in October.

WINEMAKER'S NOTES

The 2022 Malbec is a brilliant expression of a Red Mountain Malbec. Dark as night in the glass, this wine is lush with juicy blackberry and huckleberry aromas spilling into a cauldron of big, bold fruit with hints of milk chocolate, espresso and iron. This robust and structured wine with dense, layered tannins is a showstopper that you can cellar for years to come or enjoy now.
