## 2015 ESTATE CHARDONNAY

*Genevieve Vineyard*

### VINEYARD

This ten acre, valley floor Chardonnay block sits a quarter mile east of the Langtry house on fairly shallow, gravelly clay loam soils with high magnesium and low nutrient content that limits vine vigor and crop levels. Very cool nights allow for excellent acidity and rich, fully mature fruit with abundant flavor and character. This Chardonnay is composed of small cluster Dijon clones 76 and 96.

### TASTING NOTES

Our 2015 Genevieve Vineyard Chardonnay adorns a light straw color. Floral aromas pineapple, citrus and vanilla lead into the full bodied palate filled with rich flavors of stone fruit and baked apple. The lush mid palate complements the strong body and prevalent French oak making way to an elegant finish.
