

DASHWOOD

INSPIRED BY OUR PRECIOUS ENVIRONMENT

Dashwood embraces the natural beauty of the coastlines and unique flora and fauna that are synonymous with New Zealand. Taking inspiration from the native Pohutukawa that flowers in summertime along New Zealand's coastlines, our wines embody the care and respect we have for our precious environment.

WINEMAKING

Grapes are selected at full ripeness from Marlborough's two winegrowing valleys, the Wairau Valley and the Awatere Valley. After harvest they are immediately pressed into stainless steel tanks. Yeast strains are selected to enhance Sauvignon Blanc specific aromas and fermentation is kept at cool temperatures to preserve fresh intense aromatics and fruit purity.

SAUVIGNON BLANC 2021

Our Sauvignon Blanc displays a pale straw hue with a green edge. Punchy Sauvignon Blanc aromas show the elements from these two major sub regions of Marlborough.

The wine is distinct and punchy with layered aromas of guava, gooseberry, lime and grapefruit. The palate is concentrated driven by flavours of green tropical fruits and citrus with an elegant and energetic finish.

ALCOHOL: 13%

pH: 3.15

TA: 7.5
