OUR 2022 ROSÉ OF MALBEC IS A VIBRANT AND FRESH EXPRESSION OF RUSSIAN RIVER VALLEY FRUIT. A BEAUTIFUL PALE PINK COLOR IN THE GLASS, THIS WINE EXUDES BRIGHT AROMAS OF FRESH STRAWBERRY, FRUIT PUNCH, AND ROSE PEDAL. THE PALATE IS CRISP AND REFRESHING WITH A BRIGHT ENTRY, LIVELY ACIDITY, AND A JUICY, LONG FINISH. ENJOY THIS WINE CHILLED ON A WARM DAY SPRING OR SUMMER DAY.

VINTAGE

The winter of 2021–2022 had minimal rainfall and mild temperatures, adding to drought conditions in Sonoma County and the Russian River Valley. With mild winter and spring temperatures, bud break was ahead of average. Summer was warm and dry, with above-average temperatures in August leading to an earlier harvest.

VINEYARDS & WINEMAKING

Our Rosé of Malbec comes from a single vineyard block located just across the street from our estate, on the warmer end of the acclaimed Russian River Valley AVA of Sonoma County. This site features clay, rock and loamy soils that are the ideal growing conditions for Malbec. The grapes were hand harvested on September 11, 2022, then gently crushed and cold soaked on the skins just long enough to create the lovely pale salmon color. To maintain freshness and create a crisp style, it was cold fermented and aged in 100% stainless steel.
