

2022
ROSÉ WINE
NAPA VALLEY

VINTAGE

The 2022 vintage was warmer and drier than average, culminating in a significant 8-day heat surge in early September with temperatures soaring above 110^{oF}. The extreme heat forced Brix to rise and we found ourselves in a hurry to bring in all the fruit as quickly as possible.

VINEYARDS & WINEMAKING

Our 2022 Rosé includes 43% Cabernet Sauvignon, 18% Petit Verdot, 17% Cabernet Franc, 11% Malbec, and 11% Merlot. In addition to its historical importance, Rutherford is a premier region for luxury-class wines farmed in the famous “Rutherford Dust.” The fruit was harvested in September 2022 and aged for three months in 50% stainless steel tanks and 50% neutral French oak barrels.

TASTING

A lovely dark ruby in the glass, our 2022 Rosé offers a bouquet of violets, raspberry, strawberry and fresh peach. The palate is crisp and balanced with a subtle minerality and refreshing acidity. Flavors of stone fruits, bright cranberry and a hint of lemon thyme linger on the juicy finish.

STATISTICS

APPELLATION	Rutherford, Napa Valley	ALCOHOL	13.7%
