VINTAGE NOTES

2023 started out cool which delayed budbreak, then mother nature turned up the heat and didn't let up. We had above average temperatures in June and July then ran into our main heat event mid-August with a couple of 100°+ days. This was an ideal vintage with no major detrimental events. All fruit was ripe and picked by October 2, 2024.

WINEMAKER'S NOTES

This 2023 River's Red is a unique blend with aromatics of cherry, berry, and a hint of blueberry. It is medium-bodied with a flavor blast of berries. The palate is balanced with approachable tannins and a pleasantly soft finish. Whether dining alfresco or a night out on the town, this wine will pair perfectly with a wide variety of foods.
