OUR THOUGHTS

Our 2019 Cabernet Sauvignon is dark, brooding and layered with bold characters. On the nose, black cherry, spice, cassis, plum and black currant entice the senses. The palate delivers a rich, round mouthfeel coupled with black berries, dark chocolate and notes of black tea. Smooth tannins linger on the seemingly endless finish.

2019 VINTAGE

The 2019 growing season started later than usual in many California wine regions. A wet spring followed by cool temperatures allowed the grapes to mature gradually. Cool temperatures continued throughout the growing season resulting in longer hang time and lower sugar yields. Vintners are praising the full flavors, fresh acidity and superb balance of the 2019 vintage.

VINEYARDS & WINEMAKING

Roth Estate Cabernet Sauvignon is made from select vineyard sites within the exceptional hillsides of Alexander Valley. The region's low-vigor, volcanic soils coupled with the balance of warm days and cool nights provide intense and concentrated fruit. After harvest, the wine was fermented in temperature controlled stainless steel tanks where it was cold-soaked and pumped over once a day for several days. Once fermentation was complete, the wine was transferred to barrel and stirred weekly until malolactic fermentation was complete. It was aged in French, Hungarian and American oak (50% new) for 18 months prior to bottling.
