2020 STREAMLET

COLUMBIA VALLEY

VINEYARDS & VARIETAL COMPOSITION

60% Syrah, Walla Walla Valley

40% Cabernet Sauvignon, Red Mountain

VINTAGE NOTES

The 2020 vintage presented a mild and uneventful winter. Spring was very wet and stormy which lead to increased soil moisture that in turn increased canopy growth. Summer temperatures were hot and dry which lead to consistent ripening. The temperatures started to wane in the beginning of September which allowed us to pick at optimal ripeness.

WINEMAKER'S NOTES

We really like to blend, but coming up with a name can be tricky. To stay with the river theme, we came across "Streamlet" (a natural body of running water smaller than a river), we liked it so it stuck. Our idea was to create a blend unique to Washington State. We've got a blend of silky wildly expressive Syrah and bold Cabernet Sauvignon, all from impressive vineyards throughout Eastern Washington. The 2020 Streamlet is a vibrant wine with rich aromas of fresh picked blueberries, leather and a hint of lavender. Intense blue fruit swirls on the palate with graham cracker and cocoa accents that encapsulate this complex wine.
