## 2023 STREAMLET

WALLA WALLA VALLEY

### VARIETAL COMPOSITION

34% Syrah, 33% Merlot, 33% Cabernet Sauvignon

### APPELLATION

90% Walla Walla Valley, 10% Red Mountain

### VINTAGE NOTES

2023 started out cool which delayed budbreak, then mother nature turned up the heat and didn't let up. We had above average temperatures in June and July, then ran into our main heat event mid-August with a couple of 100°+ days. We picked the Syrah September 8th, the Merlot September 11th and the Cabernet Sauvignon October 2nd.

### WINEMAKER'S NOTES

We really like to blend, but coming up with a name can be tricky. To stay with the river theme, we came across "Streamlet" (a natural body of running water smaller than a river), we liked it so it stuck. Our idea was to create a blend unique to Washington State. We've got a blend of silky, wildly expressive Syrah, velvety Merlot and bold Cabernet Sauvignon, all from impressive vineyards throughout eastern Washington.

Our 2023 Streamlet is a decadent delight. On the nose, this wine offers berry pie, candied pecan, slate and salal. Dark fruits on the palate are artful and approachable with a touch of minerality, and a long, juicy finish.
