2022 *Rosé of Pinot Noir* RUSSIAN RIVER VALLEY

The Foley Sonoma Winemaker Series includes wines handcrafted and selected by our winemaker. Each wine in the series embodies a distinct representation of terroir which is illustrated by the hand painted watercolors depicted on our labels. This Rosé of Pinot Noir is sourced from a hillside vineyard in the Russian River Valley perfectly suited for our Rosé wine. The watercolor artwork on our label illustrates the special sense of place of this Russian River Valley vineyard.

Vineyards & Winemaking

Our 2022 Rosé of Pinot Noir comes from a hillside block known as “Redwood Block” from our family’s Russian River Valley vineyard. This beautiful block is shielded from the sun by massive Redwood trees, which ensures that the fruit never gets sunburned, and preserves the grape’s natural acidity. Once the fruit was harvested, it was fermented in stainless steel tanks to preserve vibrant fruit notes.

Winemaker's Notes

The 2022 Winemaker Series Rosé of Pinot Noir captures the essence of our hillside vineyard in the Russian River Valley. We pick the fruit specifically for making this dry, French-style rosé. A beautiful pale pink color shines through the glass and offers aromas of crisp white peach, strawberry, and fresh flowers. These aromas awaken the palate with a fresh acidity, and vibrant notes of citrus blossom, strawberry, and grapefruit. Enjoy at your next spring or summertime gathering.
