## *Russian River Valley* 2024 ROSÉ OF MALBEC

---

---

OUR 2024 ROSÉ OF MALBEC IS A VIBRANT AND FRESH EXPRESSION OF RUSSIAN RIVER VALLEY FRUIT. A BEAUTIFUL PALE PINK COLOR IN THE GLASS, THIS WINE EXUDES ENTICING AROMAS OF GRAPEFRUIT, NECTARINE, HONEYSUCKLE, AND CARAMELIZED SUGAR. FLAVORS OF LEMON CURD, GOLDEN DELICIOUS APPLE, AND RIPE STRAWBERRIES DANCE ON THE PALATE. THIS IS THE PERFECT SPRING AND SUMMER SIPPER.

### VINTAGE

The 2024 growing season kicked off with cool spring temperatures. A few summer heat spells nudged the ripening along, while cool nights helped preserve acidity and freshness in the fruit. Harvest held a fast pace and delivered beautiful fruit quality.

### VINEYARDS & WINEMAKING

Our Rosé of Malbec comes from a single vineyard block located just across the street from our estate, on the warmer end of the acclaimed Russian River Valley AVA of Sonoma County. This site features clay, rock and loamy soils that are the ideal growing conditions for Malbec. The grapes were hand harvested, then gently crushed and cold soaked on the skins just long enough to create the lovely pale salmon color. To maintain freshness and create a crisp style, it was cold fermented and aged in 100% stainless steel.
