

FOLEY F SONOMA

2021 *Cabernet Sauvignon* Alexander Valley

The Foley Sonoma Winemaker Series includes wines hand crafted and selected by the winemaker. Each wine in the series embodies a distinct representation of terroir which is illustrated by the hand painted watercolors depicted on our label. Our Alexander Valley estate vineyard is pictured here in red hues, demonstrating the warm weather and bold character to the area that is maintained in our Winemaker Series Cabernet Sauvignon.

Vineyards & Winemaking

Fruit for our 2021 Winemaker Series Cabernet Sauvignon came from our estate vineyards in the Alexander Valley. Our Clone 337 Cabernet Sauvignon is planted on predominately clay soils, with east-west orientation, and enjoys wonderful, unencumbered sunshine throughout the growing season. A small amount of Petit Verdot and Cabernet Franc from our estate were blended in to add more structure and character.

Winemaker's Notes

Our 2021 Winemaker Series Cabernet Sauvignon is a great representation of Alexander Valley's bold fruit, with full-bodied and well-structured tannins. This wine opens with aromas of English toffee, mocha, anise, black cherry, and a hint of cedar. On the palate, boysenberry syrup and black forest cake are supported by age-worthy acidity and silky tannins. This wine will continue to age gracefully for 7-10 years.
