VINTAGE NOTES

2023 started out cool which delayed budbreak, then mother nature turned up the heat and didn't let up. We had above average temperatures in June and July, then ran into our main heat event mid-August with a couple of 100°+ days. We picked the Syrah September 8th, the Merlot September 11th and the Cabernet Sauvignon October 2nd.

WINEMAKER'S NOTES

We really like to blend, but coming up with a name can be tricky. To stay with the river theme, we came across "Rivulet" (a very small stream), we liked, however, it was already taken. So, we added a "T" for Three Rivers and made up our own word, "Trivulet". Our idea was to create a classic blend of Cabernet Franc and Merlot, sourced from impressive vineyards throughout eastern Washington. These noble varietals marry so well, no wonder this combo has been considered to be one of the best in the world.

Our 2023 Trivulet offers a beautiful composition of blue fruits, sandalwood, cranberry, and baking spice. Accents of cardamom and cola make for a memorable finish.
