

CHATEAU ST JEAN

2020 BELLE TERRE LATE HARVEST RIESLING

ALEXANDER VALLEY

SONOMA COUNTY

Our roots are in Sonoma County. We have made wines from the region's diverse vineyards for over 50 years, starting in 1973. A fine wine estate with European style, we are proud to produce balanced and elegant wines, a hallmark of Chateau St. Jean. Our single-vineyard and blend expressions celebrate Sonoma County's distinctive, world-class growing region, and the special vineyard sites in which our grapes are grown.

VINEYARDS

Belle Terre Vineyard, owned by the Dick family, is located on the Russian River in southern Alexander Valley. Over the past three decades, the Dick family has built a reputation as one of the premier grape growing families in the region.

WINEMAKING

Botrytis-affected wines are made from grapes affected by "Noble Rot," known as Botrytis cinerea. The grapes are hand-selected and then individually hand-sorted to choose only Botrytis-affected berries and partial clusters, specially processed and fermented in stainless steel to capture the unique, unctuous sweetness of the fruit.

TASTING NOTES

Intense aromas of ripe apricot, peach, and lemon zest fill the nose of this rich dessert wine. A creamy and sweet entry is followed by nectarine, orange cream, and honey flavors. The wine is perfectly balanced with acidity and has a clean finish.
