MT. EDEN

2022 PINOT NOIR

The 2022 Mt Eden Clone Pinor Noir comes from our Trenton Road vineyard, located a few miles west of the winery. Known for its darker color and fruit expression, the Mt Eden clone creates a wine that is a true delight for the senses.

A bouquet of raspberry, dark currant and rose petals leads to a silky palate with densely concentrated flavors of dark cherry, cola and dark chocolate with soft but present tannins.
