ACROBAT PINOT GRIS OREGON

Acrobat wines are the result of determination to handcraft Oregon Pinot Noir and Pinot Gris of the highest quality. At the heart of these wines is the love of pairing an honest wine with casual meals and gatherings. Acrobat should always be an effortless selection — a wine that consistently pairs in every way with our lives. Acrobat is artfully crafted in the gorgeous hills and valleys of western Oregon, with an eye on sustainable winemaking practices.

TASTING NOTES

The 2024 Acrobat Pinot Gris is refreshing and approachable, offering flavors of pear, guava, and honeydew melon with a touch of minerality. Bright acidity lifts this medium-bodied wine, imparting energy and length on the finish.

WINEMAKING PROCESS

In 2024, we used our mobile press unit to press the grapes right after picking, while still in the vineyard. Pressing the fruit immediately preserves freshness and minimize skin contact, reducing the need for fining to remove bitterness from the wine. The wine was fermented in 100% stainless steel at cool temperatures to maintain a pure expression of the fruit. The result is a true hallmark Oregon wine; balanced, layered, and expressive.

VINTAGE NOTES

The 2024 growing season started with a cool, wet spring. A summer heatwave brought higher than average temperatures to the Willamette Valley and led to some variability in fruit set. Mild summer temperatures and low precipitation leading up to harvest gave us a long ripening window, allowing flavors to fully develop. The fruit quality was excellent and the wines are developing beautifully.
