

LINCOURT

2025 ROSÉ of GRENACHE

SANTA YNEZ VALLEY

When Proprietor Bill Foley founded Lincourt in 1996, the Sta. Rita Hills region of Santa Barbara County was largely undiscovered. Today it is one of California's most coveted, cool-climate, viticultural regions. Lincourt wines are produced primarily from two estate vineyards within the AVA – wines that are rich, structured, fruit forward, and regionally exact.

VINTAGE

The 2025 growing season was remarkably cool, leading to the latest harvest our California-native winemaker has ever seen. Rather than the typical Labor Day heat, we saw temperatures dip to 39°F in the Sta. Rita Hills, followed by an unprecedented series of late-season rains. These unique conditions required constant vigilance but rewarded us with perfectly balanced fruit. The extended “hang time” resulted in lower sugar levels and naturally lower alcohol, crafting elegant wines defined by restraint, fresh acidity, and beautiful nuance.

VINEYARDS & WINEMAKING

The fruit for this wine was harvested from two of our Santa Ynez Valley vineyards: Rancho Las Hermanas, and Firestone estate. Comprised of 90% Grenache and 9% Grüner Veltliner, and 1% Pinot Noir, this stainless steel fermented and aged wine is bright and fresh, making it the perfect spring or summertime wine.

TASTING NOTES

Bright and expressive, the 2025 Rosé of Grenache opens with a nostalgic bouquet of strawberry rhubarb tart. On the palate, it delivers “summer in a glass,” bursting with vibrant notes of ripe watermelon, candied cherry, and crisp red apple. Its refreshing acidity and fruit-forward profile make it the perfect match for a savory pork belly and watermelon salad.
