

FOLEY F SONOMA

2021 *Rosé of Pinot Noir*

RUSSIAN RIVER VALLEY

The Foley Sonoma Winemaker Series includes wines hand crafted and selected by our winemaker. Each wine in the series embodies a distinct representation of terroir which is illustrated by the hand painted watercolors depicted on our labels. This Rosé of Pinot Noir is sourced from a hillside vineyard in the Russian River Valley perfectly suited for our Rosé wine. The watercolor artwork on our label illustrates the special sense of place of this Russian River Valley vineyard.

Vineyards & Winemaking

Our 2021 Rosé of Pinot Noir comes from a hillside block known as "Redwood Block" from our family's Russian River Valley vineyard. This beautiful block is shielded from the sun by massive Redwood trees, which ensures that the fruit never gets sunburned, and preserves the grape's natural acidity. Once the fruit was harvested, it was fermented in stainless steel tanks to preserve vibrant fruit notes.

Winemaker's Notes

We pick the fruit specifically for making this dry, French-style rosé. It is a beautiful pale pink color in the glass, and shines with notes of fresh citrus blossoms, strawberry, grapefruit zest and white peach. Enjoy with seasonal produce such as asparagus and prosciutto, goat cheese tarts, spaghetti with fava beans at your next spring or summertime gathering.
