ALCOHOL: 14.5% by volume

## HERITAGE

**MT. GEORGE (100%)** – Located east of Napa in Coombsville, Mt. George Vineyard is the site of one of the first grape plantings in the valley in the 19th century. It climbs the western slopes of an ancient volcano whose name the vineyard bears.

## SOILS + CLIMATE

The cooler climate and deep, gravelly soils derived from volcanic rock and ash of the ancient volcano whose name the vineyard now bears, provide depth and structure to Silverado Vineyards' wines.

## VINTAGE

The beginning of the 2019 growing season was defined by copious rainfall and late soil moisture. The long, warm summer saw very few extreme heat events, with foggy mornings setting the stage for vibrant and expressive wines. The long, relatively mild finish to the season, not without its moments of unpredictability, helped to preserve freshness and finesse in the fruit with abundant hang time teasing out great color, structure, and soft tannins. All in all, exceptional fruit with bright acidity and ample texture.

## TASTING NOTES

The 2019 Henry Cabernet Sauvignon is chock-full of earthy, herbal characters, black fruit and highlights of ripe cherry. Medium-fine tannins add fullness, in a graceful, elegant style.
