2024 ROSÉ

WALLA WALLA VALLEY

VINEYARD

89% Walla Walla Valley, 11% White Bluffs

VARIETAL COMPOSITION

55% Cabernet Franc, 34% Cabernet Sauvignon, 11% Riesling

VINTAGE NOTES

Mid-January 2024 presented with sub-zero temperatures for an extended period which caused bud damage throughout the Walla Walla Valley. A warm, dry spring allowed the vines to push ample buds; budbreak to bloom was extended and cool. Summer was hot and dry with two weeks of 100+ temperatures which delayed veraison. September's cool evenings allowed for nice hang time with no fall frost pressure. This vintage produced great fruit quality. We picked the estate fruit for the Rosé on September 19, 2024.

WINEMAKER'S NOTES

The grapes used in our 2024 Rosé were gently pressed with limited skin contact. This reduces the color and tannin impact on the wine, keeping it fresh and allowing for a pretty pale pink salmon hue. We fermented this Rosé with controlled temperatures and an aromatically focused yeast, which accentuates the bouquet. Our 2024 Rosé is vibrant, fresh, and perfect for warm-weather entertaining. Fragrant aromas of ripe ruby red grapefruit, creamy strawberry, and orange blossom emerge at the first pour. Flavors of juicy melon and grapefruit dance on the palate, finishing clean and zesty with crisp acidity.
