

DASHWOOD

INSPIRED BY OUR PRECIOUS ENVIRONMENT

Dashwood embraces the natural beauty of the coastlines and unique flora and fauna that are synonymous with New Zealand. Taking inspiration from the native Pohutukawa that flowers in summertime along New Zealand's coastlines, our wines embody the care and respect we have for our precious environment.

WINEMAKING

Grapes were selected at full ripeness from Marlborough's two winegrowing valleys; the Wairau Valley and the Awatere Valley. After harvest they were immediately pressed into stainless steel tanks, cold settled and then racked for fermentation. Yeast strains were selected to enhance the particular aromas of Sauvignon Blanc and fermentation was kept at cool temperatures to preserve fresh aromatics and fruit purity.

SAUVIGNON BLANC 2023

Classically Marlborough, our Sauvignon Blanc is balanced, crisp and lively, perfectly capturing the aromatic characters of Marlborough's two exceptional sub-regions.

"Distinct and punchy with layered aromas of guava, gooseberry and citrus peel, underpinned with delicate floral and herbaceous notes. A crisp & lively palate of tropical fruits, zesty lime citrus and minerality with an elegant and energetic finish."
