

RICKSHAW

2023 CHARDONNAY

Crafting good value California Chardonnay in a style and at a quality level that satisfies our picky drinking habits is one of the hardest things we do each year. We've honed in on our vineyard sources and refined our winemaking to offer the consistently delicious and affordable RICKSHAW Chardonnay.

After years of drought, the 2023 growing season delivered abundant rainfall throughout California. Cool temperatures persisted through most of spring, summer, and fall, resulting in slow ripening and a later harvest than in recent years.

The 2023 RICKSHAW Chardonnay is seamlessly bright. Aromas of pear, Golden Delicious apple, dried mango, and honeysuckle are complemented by hints of vanilla. There is a textured and layered weight on the mid-palate that leads to a pleasant oaky finish, balanced with fresh, vibrant acidity.
