VINTAGE NOTES

2022 was a unique vintage for Washington. We started the growing season with a 2-4 week delay due to a cool and exceedingly wet spring. A normal summer followed but the real surprise was a very warm October which allowed the fruit to finish ripening without any frost pressure. Harvest finished for us the end of October.

WINEMAKER'S NOTES

We really like to blend, but coming up with a name can be tricky. To stay with the river theme, we came across "Streamlet" (a natural body of running water smaller than a river), we liked it so it stuck. Our idea was to create a blend unique to Washington State. We've got a blend of silky, wildly expressive Syrah, velvety Merlot and bold Cabernet Sauvignon, all from impressive vineyards throughout Eastern Washington. The 2022 Streamlet is a vibrant wine with earthy aromas of bright red and blue fruits and cedar. Dark dusty cocoa swirls on the palate with dark fruit accents that encapsulate this complex wine.
