ROSÉ OF GRENACHE

SANTA YNEZ VALLEY

The Santa Ynez Valley is located in a unique cusp region of Santa Barbara County where moderate temperatures promote an extremely long growing season. Wines produced from this site are known for being deeply concentrated, beautifully balanced and carry a distinctive imprint of the terroir.

VINEYARD & WINEMAKING The fruit for the 2025 Rosé comes from three of our vineyards in the Santa Ynez Valley. The wine is made from 97% Grenache, 2% Grüner Veltliner, and 1% Malbec that was fermented in stainless steel tanks with no malolactic fermentation, preserving the freshness of the fruit. The wine was bottled April 1, 2026.

VINTAGE The 2025 vintage in Santa Ynez Valley was defined by its extraordinary length and cool temperatures, leading to a remarkably late harvest. Balanced vine integrity and crop loads combined with the temperate season to produce fruit with lower sugar levels and beautifully restrained alcohol. This unique year bypassed the typical Labor Day heat spikes—dipping to a staggering 39°F in the Sta. Rita Hills—while frequent late-season rains demanded unprecedented patience and vigilance. With the first picks delayed until late September, the latest in over two decades, the resulting wines reflect a successful exercise in precision, capturing a rare sense of nuance and cool-climate elegance.

TASTING The 2025 Rosé of Grenache opens with vibrant aromatics of freshly picked, ripe strawberries. On the palate, this sophisticated Rosé reveals refreshing layers of red cherry, tart rhubarb, and candied cranberries, offering a bright and balanced profile. Its crisp character and fruit-forward elegance make it an ideal companion for a curated grazing board featuring dried fruits, nuts, olives, and a selection of fine cheeses and charcuterie.

APPELLATION *Santa Ynez Valley*
