

CHATEAU ST JEAN

2025 OAK HILL SAUVIGNON BLANC

OAK HILL VINEYARD

RUSSIAN RIVER VALLEY

Our roots are in Sonoma County. We have made wines from the region's diverse vineyards for over 50 years, starting in 1973. A fine wine estate with European style, we are proud to produce balanced and elegant wines, a hallmark of Chateau St. Jean. Our single-vineyard and blend expressions celebrate Sonoma County's distinctive, world-class growing region, and the special vineyard sites in which our grapes are grown.

VINEYARDS

Oak Hill vineyard is located in the Chalk Hill sub-appellation in the northeast corner of the Russian River Valley AVA. It has a warmer climate and less fog than typically characterizes the region, with notably hot, dry summers and cool, moist winters.

VINTAGE

The 2025 growing season was defined by steady winter rains and a mild, balanced summer, creating ideal conditions for consistent ripening and exceptional flavor development. Minimal frost risk and the absence of heatwaves allowed the vines to progress evenly, while cool late-summer and early fall evenings preserved the region's signature acidity and structure. Although forecasted October rainstorms prompted an accelerated harvest, ripening remained uniform and fruit quality was outstanding.

WINEMAKING

The fruit for this wine is hand-picked and whole-cluster pressed prior to racking and fermentation in stainless steel tanks. This wine does not undergo malolactic fermentation in order to retain its bright flavors and crisp acidity.

TASTING NOTES

The 2025 Oak Hill Sauvignon Blanc is a beautiful expression of a balanced growing season, opening with bright, fresh aromas of lemon-lime citrus and delicate white floral notes. On the palate, the wine is vibrant, lead by flavors of white peach and lime zest underscored by a subtle minerality. This crisp profile culminates in a refreshing finish, making it an exceptionally food-friendly selection that captures the cool-climate precision of the vintage.

2025

APPELLATION	Russian River Valley
VARIETAL	100% Sauvignon Blanc
AGING	Stainless steel
ALCOHOL	13.8%
T.A.	7.07 g/L
PH	3.3
PRODUCTION	410 cases
