Stainless steel fermented  
and aged

ALCOHOL

14.2%

TA

6.0 g/L

pH

3.64

BOTTLING DATE

January 30, 2024

CASES PRODUCED

208

## VINEYARDS

Known for its cool, foggy, windy climate and marine soils – the Carneros appellation is an ideal location for Pinot Noir. Our 2023 Rosé was sourced from Ramal Vineyard. This Carneros site features gently rolling hills and unfettered exposure to morning fog and strong afternoon breezes that help define the region.

## VINTAGE

The winter of 2022-2023 saw record rainfall, ending years of drought conditions in Northern California. With below average temperatures in winter and spring, budbreak was significantly delayed. Continued cool weather through summer led to the harvest season beginning two weeks later than average which gave the grapes ample time to develop full flavors while maintaining vibrant acidity.

## WINEMAKING

The fruit for our 2023 Rosé was hand harvested on September 5, 2023. To maintain freshness and preserve the distinct characteristics of the varietal, we aged in 100% stainless steel and minimized exposure to the air, aiming to create a crisp, fresh style.

## WINEMAKER'S NOTES

The 2023 Rosé is the quintessential summertime wine. This wine is popping with aromas and flavors of strawberry, rose petal, and watermelon, lifted by crisp acidity. Enjoy this wine chilled alongside a strawberry salad, fresh salmon sushi, or a pork sandwich.
